IRENE, wow, she dealt many of us a blow. It is my hope that you and your family weathered the storm in a safe place, and your homes suffered nothing more than a little power outage.

Phone service came back to our house on Wednesday, Aug. 31. I never thought I would rely on my cell phone and be thankful that I had one. But days without a land line, the cell phone proved to be as necessary as water and food in contacting insurance agents and staying in touch with family.

The District picnic, what can I say? The first ever District Picnic was fabulous!!! Hey, the computer did not reject that word. If you missed it, you missed a great time with your fellow club members in a non-meeting atmosphere. Twelve clubs were represented with around 50 attendees from those twelve clubs. Thanks for taking time out of your Saturday to come out and enjoy the beautiful day.

A special thanks to the Smithfield club for obtaining the very beautiful park for us to use for our Picnic. Windsor Castle Park in Smithfield has a large shaded area where the picnic tables were located and a short walk from the parking area. Well, for those carrying tables, etc. the walk was not short. Thanks to several husbands who joined us and did most of the heavy carrying. It was nice to see the other half of our members. We will take a look at this outing to see if it can be an annual picnic.

The food was **outstanding**, you really outdid yourselves. We had a great variety and lot of food to share. Some of the District Picnic recipes are located in this issue. More will follow in other issues.

The Fall District meeting will be held in Wakefield on Saturday, October 22, 2011. We will meet in the Auditorium and be there for the morning and afternoon session. In this issue of the Nutshell, you will find the Call to District Meeting. Please adhere to the deadlines that are mentioned within the Call. The Hostess Clubs for this meeting are: Kings Fork, Tarrara and Sedley. Registration will begin at 8:30 – with the meeting to begin at 10:00. The Junior registration is at 8:30 as well, with their meeting starting at 9:00. Come early and do your shopping; the quilt raffle is still going on, and the Trash and Treasure Jewelry Sale will be in full swing. You know there will be something there that you cannot live without.

Daylight Savings Time Ends on November 6th. Don't forget to set your clocks back one hour!!!!

The State Fair: The Fair week is October 5-7, 2011 and Southside's Day is Friday, October 7th. Please make your plans now to volunteer for our Day. It is great fun and you can enjoy the Fair after you finish with the school children.

There is a GFWC Headquarters Holiday Open House scheduled for December 7, 2011. This is a good opportunity to visit Headquarters in DC. Maybe a bus trip – not a fundraiser, just a bus trip to see our Headquarters - decorated for the Season. We will have more information at the October meeting. If enough folks want to go, we can get a bus to drive us there.

Please take time to check the calendar in this issue, and also take time to read all of your Nutshell. There will be lots of information from your Community Service Program Chairmen.

Remember: Our lives are like quilts – bits and pieces, joys and sorrows stitched with love.

In Federation love,

Del

each piece is joined together
to make a whole.”**

I trust that everyone is geared up for another great year of volunteering! As you prepare your budget for the year, please consider including a donation to the SSD Mary Frances Hartz Scholarship fund and the SSD Project (to VCU Cancer Center in support of lymphodema patients). No donation is too small, any amount can make a difference.

Thank you! to the following clubs who made donations with their 2011 dues & contributions (or after) to MFH Scholarship and District Project:

MFH Scholarship: Junto WC, Riparian WC, WC of Smithfield, Suffolk WC, GFWC Swift Creek WC, WC of Windsor, GFWC JWC of Hopewell (totaling \$125)

District Project: Federated WC of Petersburg, WC of Prince George, Riparian WC, Suffolk WC, GFWC Swift Creek WC, GFWC Tarrara WC, WC of Windsor, GFWC Franklin JWC, GFWC JWC of Hopewell (totaling \$585)

If your club is not in the habit of preparing a yearly budget and would like to, needs help in preparing one for the new year, or is not sure what should be included in your yearly budget, please don't hesitate to be in touch.

Leadership Advancement

Gloria Worrell, First Vice President, gaworrel@sentara.com, (757) 562-0300

Denise Price, Junior Chairman, Sandra.price2@va.gov, (804) 458-3675

Our summer has been very eventful, with the Dismal Swamp fire, the earthquake and Hurricane Irene. What's next? Hopefully a great club year for all! As many clubs are just gearing up for a new club year, I am sure excitement is in the air as you brainstorm ideas and make plans for helping your communities. Don't leave out making plans to attend the Southside District meeting on October 22 at the 4-H Center in Wakefield.

I was privileged to attend the State Executive meeting in Lynchburg last month, where we had a leadership workshop on reporting (everyone's favorite subject) filled with information. Also, that weekend 32 ladies from our state participated in the LEADS program, I heard it was wonderful...

Wow, what a fantastic Southside District picnic! I was so impressed by the turn-out, twelve clubs from the District were represented and a great time was had by all... Great food and fellowship and our State President in attendance.

Calling All District Chairmen and Club Presidents >>>>> Watch for the date when we will come together for another District Leadership Workshop. Location will again be in Suffolk at Sentara Obici.

I look forward to seeing you all at the District meeting where Federation friends are made for a lifetime!

Fundraising Advancement Program

Connie Myers, Chairman, chm13@aol.com, (804) 732-3008

Marti Clark, Junior Chairman, babyblythe@mail.com, (757) 569-0824

It's hard to believe that summer is over, technically! I don't know where it went, but time just seemed to fly! Hope you had a great summer, and you are ready to start back on a new club year and all its challenges! Fall District Meeting will be coming up in October, and we will be having our gently used or new jewelry sale. We collected a lot of nice jewelry at the Spring District Meeting, but we can always use more. If you didn't get a chance to contribute any of your items at the Spring meeting, you can call me at 804-732-3008 or Laura Smith at 804-458-8732, and we will make arrangements to collect your jewelry. Please contact us by the first week in October, as it will take a while to sort through all these treasures!

Just a little reminder that some clubs have not paid their \$10.00 for the purchase of material to be used on the handmade quilt which will be raffled off at the Spring District Meeting. You can mail your money to Sheila Rideout, District Treasurer, or you can bring it to the District Meeting in October. Also, tickets are being mailed to club presidents to be sold by club members for a chance to win this beautiful quilt being made by Helen Hill. She is a very talented lady, and I am sure everybody will want to be in on winning this quilt!

All proceeds from these fundraisers will go to the District General Fund.

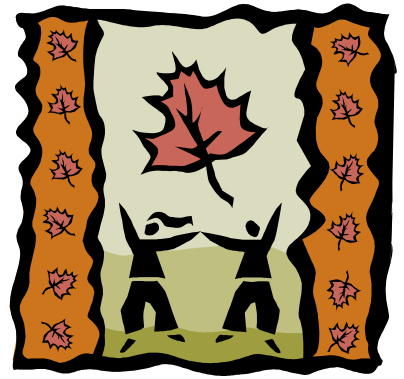

Membership Advancement

Helen Hill 2nd Vice President hkhill18@hughes.net, (757) 242-9595

Trish Edwards, Junior Chairman Mountainlovers06@aol.com, (757) 641-8840

“This is the Season to Recruit New Members”

Once again, “There is a Reason to Recruit in any Season”. This season’s theme is: Rake in New Members. So plan a fall activity and invite prospective members to join in the fun. How about cleaning up an elderly or disabled person’s yard? How about a trip to a pumpkin patch, then serve hot tea or cider afterwards? Invite the children or grandchildren to this one as well.

As you recruit new members, notify the District Membership Chairmen. They will in turn, report to the State Membership Chairman. Last year, we did well in recruiting. Let’s hope we surpass that number this year.

As we concentrate on new members, it is always good to remember those that have supported the club for years with their time and energy. GFWC recognizes membership for 50 Years and 25 Years with pins. Why not recognize 5, 10, 15, 20 years within your club with a pin or some token of appreciation? Do report your 50 year and 25 year members to GFWC. The guidelines and forms can be found on page 16 and page 63 of the handbook.

Again, if you have a specific issue, the Handbook is an excellent place for suggestions. It is on line at www.GFWC.org/GFWCMembers. You can also contact Helen Hill or Trish Edwards. We will help anyway we can.

Education Community Service Program

Ann Hoover, Chairman

bzquilter@msn.com

(804) 733-8217

Just as we begin the fall club volunteer season for our **Education Community Service Program**, Southside District has gotten a good “*shaking and stirring*” from Mother Nature! It’s time to review, plan, and carry out the rest of our 2011-2012 Education volunteer effort.

As you read this article and others in *The Nutshell*, consider how often you see the action word **volunteer**. We are all affected at home and in our clubs by the current economy and by that recent “shaking and stirring”, perhaps not in a good way. This means dollars are hard to come by. Yet, consider that as a **club volunteer** we can give of our time and talents in much-needed ways that do not always involve money. **Education Community Service** is a prime example.

On GFWC and GFWC-VA levels, the focus is on **LITERACY**, which is what Southside does well, working

with schools, local libraries, literacy programs, and so much more, as you demonstrated at our Spring District meeting.

You were beyond generous in awarding scholarships to graduating seniors seeking to continue their education, so needed in difficult economic times. We encourage you to continue your **volunteer education effort**, perhaps adding more of your time when dollars are short. Think out of the box and do it **your way!** The rewards to each of you personally, to your club and your community are beyond price, the very definition of **volunteer!**

Please review **Education Community Service** materials given to you before and also information from GFWC-VA and GFWC National. Plan to attend our Fall District Meeting for more information. In the meantime, here are a few dates you can use now:

September: Library Card Sign-up Month (www.ALA.org)

8 – International Literacy Day (www.Reading.org)

October: National Book Month (www.NationalBook.org)

5 – World Teachers’ Day (www.UNESCO.org)

16-22 – Teen Read Week (www.ALA.org)

November: 1 – National Author’s Day

15-21 – American Education Week

Southside volunteers are the best! See you at Fall District Meeting!

Signature Project: Domestic Violence Awareness and Prevention

Abby Lynch, Chairman

tada4@comcast.net

(804) 526-5419

CHOOSE TO MAKE A DIFFERENCE

Between the recent earthquake and hurricane, many are dealing with adversities out of the norm. Tensions from power outages, insurance claims, extra expenses, spoiled food, lost time from work can affect behavior and bring out the best in people ... or the worst. When "worst case scenarios" play out, domestic abuse and child abuse cases tend to rise. As a good neighbor and GFWC clubwoman, you can make a difference!

The GFWC Domestic Violence Awareness and Prevention Fund and the GFWC Success for Survivors Scholarship launched on January 27, 2011. By making a donation to the GFWC Signature Project: Domestic Violence Awareness and Prevention Fund, at least eight domestic violence survivors will be awarded a \$1,000 scholarship in June 2012, giving them hope for a better tomorrow. You and/or your club can make a difference with a donation through the GFWC Marketplace.

Beginning July 1, changes were made to Protective Order Laws, and the Address Confidentiality Program in Virginia. Changes "simplified the protective order process; provided access to protective orders for victims of sexual assault, stalking and dating violence; and provided protections through court/law enforcement response to violations of protective orders." Additionally, the Address Confidentiality Program – which is a free, confidential mail forwarding service for domestic violence victims who have recently relocated to a location unknown to their abuser - is now available statewide. Both of these adjustments will provide better services for victims in abusive relationships. You can make a difference by sharing this information with someone who may need to know about this!

Remember - October is Domestic Violence Awareness and Prevention Month, and a great time for a quick project! Have you heard about the GFWC Sock Project called "Step Away from Abuse?" Place a pair of new socks in a quart-size, clear plastic baggie, and attach a personalized label with a message of support and encouragement from your club that reads: "As you begin your new life and Step Away from Abuse, we hope you will find comfort and warmth as you walk into your newly found freedom." A label template is available at http://www.gfwc.org/gfwc/Domestic_Violence_Awareness_Program.asp What an easy way for you and your club to make a difference, and to help survivors and domestic violence shelters in your community!

On good days and bad, please remember your neighbors with a friendly visit or a quick wave, help with a pet or the lawn, or a plate of food for dinner. Your gesture may ease building tensions that could interrupt a blowup with a spouse or children. You can make a difference as a GFWC clubwoman - "will you be no-where or now-here in your community"?

SSD Nominating Committee

The Southside District Nominating Committee would like to offer the following nominees for Southside District representative and alternates to the GFWC Virginia Nominating Committee:

Jeannie Pond

Connie Wilde

Gloria Worrell

Annette Rodgers, Chairman

GFWC Open House

International President Carlene Garner invites you to celebrate the holidays during the 2011 GFWC Holiday Open House on Wednesday Dec.7 from 3-5 P.M. at GFWC headquarters in Washington D.C. RSVP by phone 1-800-443-GFWC(4392) or by email GFWC@GFWC.org.

Gayle Johnson, WHRC Chairman

Arts & Crafts

Jeanie Pond, Coordinator
jayree23@aol.com

The calendar tells us that autumn is fast approaching, although the way it feels, the weather hasn't gotten word of that yet. I do hope that between

the earthquake and Hurricane Irene, you have been safe and that you have not sustained any significant property damage. I can imagine these past few days have afforded some fantastic photo opportunities, but hopefully, not of any fallen trees on your houses or vehicles.

During these hot and humid days of summer, I hope you have been able to begin a project to be entered in your local arts and crafts contest next year. It's not too soon

to be planning ahead—as you know, time flies. Club chairmen, please continue to promote the student art in your area. Since the student art ends at the district level and does not go on to compete in the state contest, it is so important to see that our talented students are involved in our local and district contests. If your club would like to include student art, but are not sure what steps you need to take to make that happen, I would be happy to assist you. Just call or email me with any questions you may have.

Once again, I urge the club arts chairmen to read the contest Rules and Instructions for 2010-12 carefully. These booklets contain everything you need to know for your club and district contests. Also in the booklet, you will find information pertaining to the GFWC Photo Contests. Let me encourage you to read about these and enter your photos at the GFWC level.

Autumn is a great time to visit some arts and crafts shows, get some ideas, and get busy on your own creation. We definitely want to keep arts and crafts alive and well in Southside!

Conservation Community Service Program

Connie Wilde, Chairman
cwilde6060@gmail.com
 (804) 458-6060

Approximately 80 percent of the litter and trash in our rivers, bays and oceans comes from inland sources, according to the U.S. Environmental Protection Agency. A littered bottle cap, cigarette butt or plastic bag can easily be swept into a storm drain by rain, beginning its journey to the sea.

The following are the top 10 most frequently found items in Virginia:

- | | |
|---|---|
| (1) Cigarettes/cigarette filters | (6) Cups, plates, forks, knives, spoons |
| (2) Beverage Bottles (plastic) 2 liters or less | (7) Glass beverage bottles |
| (3) Bags (plastic) | (8) Caps, lids |
| (4) Food wrappers/containers | (9) Straws, stirrers |
| (5) Beverage cans | (10) Bags (paper) |

These 10 items accounted for 85 percent of all litter and trash picked up by 6,157 volunteers during the 2010 Virginia Waterways Cleanup.

Groups across Virginia are working to educate children and adults to recycle and correctly dispose of their trash. Don't litter. Trucks hauling trash must cover their loads. Businesses can provide well-placed trash cans and cigarette butt receptacles and maintain them. Smokers can use car or pocket ashtrays instead of throwing cigarette butts on the street or in the river. One can sweep up litter in their walkway instead of hosing down the walk, which moves the litter into the storm drains.

We all need to "Reduce, Reuse and Recycle" before we dispose of our waste items correctly.

A future with trash-free rivers, bays and coastal waters is "in our hands" through litter prevention, enforcement of litter laws, and cleaning up the trash that is already in our waterways. Keeping trash out of our rivers, bays and ocean is a completely reachable goal.

GFWC Virginia State Project: Child Abuse Awareness and Prevention

Jackie Saunders, Chairman

JacisI@charter.net

(757) 357-3937

This term, GFWC has partnered with **Prevent Child Abuse Virginia** to prevent child abuse and neglect. Clubs can develop awareness in our communities through the media, planting a pinwheel garden, and presenting the Hugs and Kisses program in the elementary schools. Some clubs have scheduled this presentation for the Fall. This outreach program sends a message to young children in K through 5th grade in your local school of hope, health, and happiness. We can educate our children to the issue of "good touch, bad touch" with this presentation. To sponsor this program call 1-800-235-8681 X 1130.

April is Child Abuse Awareness month. This is the time to display our awareness with the pinwheel gardens and blue lapel ribbons, lest we forget.

If you have concerns on this issue, call the **Virginia Department of Social Services' Child Abuse Hot Line: 1-800-828-1120.**

Here's What's Cooking in the Southside

Potato Salad from Mary Lee Willis, Windsor Woman's Club

- 5 lb. potatoes, peeled and cubed
- 6 eggs, boiled
- 1 pint jar of homemade sweet pickles
- Mayonnaise (around a cup full)
- Mustard (about 1/8 of a cup full)
- Salt

Cook potatoes with salt until tender. Boil eggs until hard (about 12 minutes). Drain potatoes, chop eggs and pickles and mix with enough mayonnaise and mustard to hold together.

Fourth of July Bean Casserole from Mary Lee Willis, Windsor Woman's Club

- ½ pound sliced bacon, diced
- ½ pound ground beef (sometimes I use up to a pound)
- 1 cup chopped onion
- 1 can (28 oz.) pork and beans (can experiment with various brands)
- 1 can (17 oz.) lima beans, rinsed and drained
- 1 can (15-16 oz.) kidney beans, rinsed and drained
- ½ cup barbeque sauce (I use Masterpiece Original, can experiment)
- ½ cup ketchup
- ½ cup sugar
- ½ cup packed brown sugar
- 2 tablespoons prepared mustard (yellow or brown)
- 2 tablespoons molasses
- 1 teaspoon salt
- ½ teaspoon chili powder

Preheat oven to 350°. In a large skillet cook bacon, beef and onion until meat is brown and onion is tender, drain. (I cook the bacon separately, then ground beef and onion together). Transfer to a greased 2 ½ quart baking dish, add all the beans. In a small bowl, combine the remaining ingredients, stir into meat and beans, mix well. Cover and bake @ 350° for 45 minutes. Uncover, bake additional 15 minutes. Yield: about 12 servings.

News from all over the Southside District

The Woman's Club Of Prince George County

Mary Bagshaw, President, mary_bagshaw@yahoo.com,
(804) 458-6901

The Prince George County Library opened its doors on Saturday, July 23, 2011! With the help of many organizations including the WCPGC ladies, the landscaping, book sorting, tagging, scanning and shelving was completed despite the heat and a bomb scare. The opening was a huge success and the citizens of Prince George turned out to enjoy the new facility, sign up for new library cards, and check out one of the 30,000 books that were available.

Members of the community get their first look at the new Prince George County Library on Saturday, July 23, 2011.

GFWC Swift Creek Woman's Club

Sue Vaughan, President, penutfam@verizon.net, (804) 526-2269

GFWC Southside District Woman's Club members met at Swift Creek Mill Playhouse on Saturday, April 16, 2011 to have a luncheon and attend the musical "Quilters".

Southside District President Del Williams' theme is "Like the pieces of a quilt, each piece is joined together to make a whole." This play was about a group of prairie women, their hardships and what quilting meant to them. "Piecing" their lives together.

SSD members who attended the musical "Quilters" on April 16, 2011 were: (front row) Sue Vaughan, Lou Fothergill, Linda Campbell, Connie Myers, Barbara Daniels, Linda Beatty; (back row) Jeanie Pond, Ann Hoover, and Del Williams.
